

VBS Day Two: "The Invisible Boy" The Boy Who Shared (John 6:1-14)

"One of his disciples, Andrew,...said, 'A youth here has five barley loaves and two fish. But what good is that for a crowd like this?'" John 6:8-9

In both the storybook and the Bible story we heard about boys who, even though they were small and didn't seem important, ended up making a big difference. Draw a picture of a time when you were able to make a difference.
