

# VBS Day Five: "Get Up, Stand Up"

## Queen Esther (Esther 7:1-6)

"Queen Esther answered, "If I please the king, and if the king wishes, give me my life, that's my wish, and the lives of my people too. That's my desire. We have been sold, I and my people, to be wiped out..." Esther 7:3-4a

Esther took a risk by speaking out against Haman in order to save her people. When have you had to use extra courage to speak out for what is right?
